PARTNERSHIPS

We are delighted to offer you our **'Try before you buy' two term offer**. This comprehensive, bespoke package of support includes development opportunities for headteachers, leaders including governors, teaching and non-teaching staff, which will positively impact on many areas of school life.

Our offer consists of **six days** of dedicated support from our experienced central team. You can select from a wide range of **school improvement** and **finance & operational opportunities** to tailor a programme which **fully meets the needs of your school**. The majority of our support and development opportunities will be **half-day sessions**. We do however, offer extended opportunities, including a two-day Partnership Improvement Review.

The cost of the full package of support has been set at **£2950**. If this fee is beyond the school's current budgetary expectations, elements of the package can be amended or negotiated as appropriate. As part of the package you will receive or have access to the opportunities outlined overleaf.

To strengthen partnerships and to encourage school-to-school support, we ask that you **commit to attending Headteacher Board Meetings** at Fusion Hive **every two weeks**. These provide headteachers with networking opportunities and aim to maximise impact over the term of our agreement.
